San Francisco Sept 27. 66.

My dear Sir,

Your kind letter of Aug 27. has come to hand. Thompson's letter I will return in my next. I will see what I can do in the seed line.

This day a week ago, I arrived here in good health. My plants have not yet reached this city. As soon as here I shall go to work in order to send them as soon as possible.

I, for my part, am very much pleased with my trip; it was

Give my regards to Mr. Mann & Prof. Brewer of whom I have not heard anything for some time.

With due regards

Yours

most sincerely
